1. VEHICLE MAINTENANCE:

- A. **You** MUST follow the instructions contained within **Your Vehicle** owner's manual regarding proper operation and all maintenance services scheduled and/or recommended by **Your Vehicle's** manufacturer. **Your Vehicle** manufacturer's mileage recommendations will be considered the maximum allowable interval between service requirements.

If **You** perform maintenance on the **Vehicle Yourself**, **You** must maintain a log showing the date, mileage and type of maintenance service performed. **You** must also keep receipts for the purchase of the products used to perform the maintenance service (e.g., lubricants and filters).

- D. **CAUTION: Failure to provide all requested Maintenance Records may cause denial of benefits under this Policy.** A Routine Maintenance and Repair Log is provided to assist **You** in recording the maintenance services performed on **Your Vehicle**, regardless of where and by whom the maintenance is performed.

*Refer to **Your Vehicle** manufacturer owner's manual for all recommended maintenance services. If **You** do not have a **Vehicle** owner's manual, **You** may either purchase one from a franchise dealer or **You** may contact **Us** and **We** will provide information to **You** regarding recommended maintenance service information, when it is available.*

- A. **You** MUST use all reasonable means to protect **Your Vehicle** from further damage. Example: Activated warning lights, such as oil or temperature lights in the dashboard, indicate that **You** should stop operating **Your Vehicle** immediately. If **Your Vehicle** is disabled, or if it is unsafe to continue to drive **Your Vehicle**, **You** may wish to arrange for towing.

However, **if any portion of the repairs is being performed during **Our** normal business hours, **You** must have the repair facility contact **Us** as soon as our normal business hours commence and prior to the repairs being completed, or **Your** claim may be denied. **You** are responsible for all expenses and **Repair Costs** if it is determined that the **Mechanical Breakdown** does not qualify as an **Emergency Repair** as defined by this Policy.**
